

Soroptimist Club Award

Pillars for Success

SIA's long term goal is to increase our collective impact. We believe only happy, healthy Soroptimist clubs with members engaged in select projects that advance the mission and who truly enjoy their club experience can help SIA accomplish this. Below is a checklist that will help your club AND the federation achieve progress in each of the four pillars that lead to increased collective impact. Please check those that apply and fill-in the requested information. Completion of this form is done on the honor system. There are no extra points for checking every box!
