December 29, 2017

Dear Lisa and SIBR-Chico:

Please forgive the delay for responding to your wonderful gifts for Harvey Relief-Rebuild Efforts. We were so pleasantly surprised to hear from your club and the Sierra Nevada Region. Harvey Relief-Rebuild efforts are still ongoing as of this date. We had some flood damage in the Austin Area but not like the Houston/coastal area. Our flooding and your fires have caused so much damage to our areas. Where do we start?

Well, I have contacted Tiffany Wannerstrom, President of SI Alvin, TX. Tiffany has a committee working with schools and a local college to get help for people who are in dire need of help from the floods. They have received other donations and have put the funds to work helping these victims. Their club will review the request for funds or services. They will be given a \$100 American Express gift card or they will be referred to a local hardware store to purchase sheetrock, etc.

Soroptimist of Austin is very pleased to forward your funds of \$500.00 on to the Alvin Club. We are excited to be able to be a part of this recovery effort. Your help will change the life of many families.

Blessings to everyone and let us know if we can ever assist you in California.

Sincerely,

Judy Brown,

Treasurer
